

Univ.-Prof. PD Mag. Dr. MICHAELA TRIPPL

University of Vienna
Department of Geography and Regional Research
Universitaetsstrasse 7
A-1010 Vienna, Austria

Office: ++ 43 (0)1-4277-48720 or 48602
E-mail: michaela.trippl@univie.ac.at

Personal Data

Date of birth: June 18, 1970
Marital status: Unmarried
Nationality: Austrian citizen

Command of foreign languages:

German: Mother tongue
English: Fluent
Swedish, Spanish: Intermediate

Education

Diploma:

Diploma in Economics (1996)
Mag. rer. soc.oec, Vienna University of Economics and Business (Austria), 1996
Title of the thesis: Institutionelle Barrieren für Regionalentwicklung in alten Industriegebieten (Institutional barriers to regional development in old industrial areas).

Doctorate:

Doctorate in Economics (2004) with distinction
Dr. rer. soc. oec., Vienna University of Economics and Business (Austria), 2004
Title of the thesis: Die Transformation regionaler Cluster in alten Industriegebieten (The transformation of clusters in old industrial areas).

Habilitation (venia docendi):

Habilitation in *Economic Geography and Innovation Research*
Privatdozentin, Vienna University of Economics and Business (Austria), 2011
Title of the cumulative habilitation thesis: Regional innovation systems and the geography of knowledge links

Docent (Swedish system):

Docent in Human Geography
Lund University (Sweden), 2012

Employment

Full Professor of Economic Geography (October 2016 – present)
Department of Geography and Regional Research, University of Vienna, Austria

Associate Professor (August 2013 – September 2016)
CIRCLE, Lund University, Sweden

Associate Professor (Senior Lecturer) (March 2012 – July 2013)
Department of Human Geography, Lund University, Sweden

“Habitationsassistentin” (Assistant Professor) (2008-2012)
Institute for Regional Development and Environment
Vienna University of Economics and Business (WU Vienna)

Research assistant (2002-2008)
Institute for Regional Development and Environment, WU Vienna

Lecturer at the University of Applied Sciences of BFI Vienna (2005-2008)

Tutor at University of Vienna (2004-2005)

Associate, researcher at the Institute for Regional Innovation, Vienna, Austria (1998-2002)

Researcher at ÖAR-Regionalberatung, Vienna, Austria (1997-1998)

Visiting Positions

Visiting Scholar, University of Turku, Finland, April – December 2014

Research Fellow, IRS Leibniz-Institute for Regional Development and Structural Planning, Erkner/Berlin, Germany, August – September 2006

Areas of Specialization: Disciplines and Fields

Economic geography. Special focus on: geography of innovation, industrial diversification and new path development, innovation systems, clusters, labour mobility and regional development, cross-border regionalisation processes, innovation policy

Leadership

Leader Working Group: Human Geography – Economic Geography, Department of Geography and Regional Research, University of Vienna

Leader CIRCLE Research Platform ‘Innovation Systems and Innovation Policy’; Member of CIRCLE Board

Editor

Papers in Regional Science (since November 2013)

Member Editorial Board

Regional Studies; Review of Regional Research

Membership in Professional Societies

European Regional Science Association; Regional Studies Association

Awards

Award “Lecturer of the year 2006”, University of Applied Sciences BFI Vienna (Degree Programme: European Economy and Business Management)

Two awards in 2009 and four awards in 2011 by Vienna University of Economics and Business for publication of articles in international peer-reviewed top journals

Scholarships

CEEPUS scholarship – Teacher Mobility Programme (Karol Adamiecki University of Economics, Katowice, Poland, May 2006). Lecture: “Regions and the Knowledge Economy” (in English)

Publications

1. Bibliometric Indices (extracted: January 2017)

Google Scholar:

Citations: 4268
h-index: 24

Scopus:

Citations: 1275
h-index: 15

ISI:

Citations: 735
h-index: 11

2. Bibliography (journal articles, monographs, book chapters, book reviews only)

Refereed Scientific Journals

- 2017 Tripl, M., Grillitsch, M. and Isaksen, A. (2017) Exogenous sources of regional industrial change: Attraction and absorption of non-local knowledge for new path development. *Progress in Human Geography*. DOI: 10.1177/0309132517700982.

Book Reviews in International Peer-Reviewed Journals

- 2013 Tripl, M. (2013) Book Review. Alice Mah, *Industrial ruination, community and place. Landscape and legacies of urban decline*. *Regional Studies* 47 (8), pp. 1380-1381.
- 2012 Tripl, M. (2012) Book Review. Pike, A., Rodriguez-Pose, A. and Tomaney, J. (eds), *The handbook of local and regional development*. *Papers in Regional Science* 91 (3), pp. 695-696.
- 2009 Tripl, M. (2009) Book Review. Graf, H., *Networks in the Innovation Process: Local and Regional Interactions*. *Journal of Regional Science* 49 (2), pp. 402-404.

Edited Journal Special Issues

- 2018 Parrilli, D., Montesor, S. and Tripl, M. (2018) "Communities on the move: effects of diasporas on regional development, innovation and entrepreneurship", *Regional Studies* (in preparation).
- 2017 Asheim, B., Grillitsch, M. and Tripl, M. (2017) Special Issue: Combinatorial knowledge bases, regional innovation and development dynamics", *Economic Geography* (in preparation).
- 2010 Tripl, M. and Maier, G. (2010) Special Issue: Knowledge spillover agents and regional development. *Papers in Regional Science* 89 (2).

Invited Key Notes and Invited Lectures

- 2016 **Invited key note:** Fostering new development paths in non-core regions: the policy challenge. 11th Regional Innovation Policies Conference, Cardiff (UK), November 3-4.
Invited key note: Innovation-driven integration dynamics in cross-border regions. 15th Border Regions in Transition (BRIT) Conference: Cities, States and Borders: From the Local to the Global, Hamburg (Germany) and Sonderborg (Denmark), May 17-20.
Invited lecture: Innovationsgetriebene Integrationsprozesse und "Smart Specialisation" in grenzüberschreitenden Regionen. Kolloquium Geographie, RWTH Aachen University, Aachen, Germany, Grimstad, Norway, February 10.
- 2015 **Invited key note:** Regional innovation policy beyond core regions. 5th NORSA (Nordic Section of the Regional Study Association) conference, Grimstad, Norway, January 15-16.
- 2014 **Invited key note:** Recovering from and preventing economic crisis – challenges for regions. CIRCLE 10th year anniversary seminar, Lund, Sweden, November 27.
- 2013 **Invited key note:** Regional innovation policies: system failures, knowledge bases and constructing regional advantage. Annual Conference of the Norwegian Research Council, Sandnes, Norway, December 3-4.
Invited key note: The Role of Universities in Regional Development. EU-SPRI Early Career Researcher Conference, Lund University, Sweden, October 2-3.
Invited lecture: Innovation, innovation policy and economic geography. National PhD course Economic

Geography, Lund, Sweden, September 26, 2013.

Invited lecture: Innovation Systems, Knowledge Bases and Policy Implications. ERSA Summer School, Blekinge Institute of Technology, Karlskrona, Sweden, July 4, 2013.

Invited key note: Wissenstransfer aus Hochschulen im internationalen Vergleich. Konferenz: Multiple Funktionsträger in schrumpfenden Regionen – Möglichkeiten und Grenzen von Hochschulen im demographischen Wandel, Friedrich-Schiller-Universität Jena, Germany, May 23-24.

Invited lecture: Location and Mobility Patterns of Star Scientists and Knowledge Transfer at the Regional and Global Levels. Jena Graduate School, University of Jena, Germany, May 22, 2013.

Invited lecture: Academic Mobility and the Geography of Knowledge Linkages. Graduate School of Finnish Geographers. University of Turku, Finland, May 16, 2013.

2012 **Invited key note:** Innovation and entrepreneurship: How to create supportive systems of innovation in different types of regions? Forschungsmarkt regionsuisse & Tagung Regionalentwicklung 2012, Bern, Switzerland, September 26, 2012.

2011 **Invited lecture:** International Mobility of Star Scientists and Knowledge Transfer. University of London Birkbeck, London, United Kingdom, February 25, 2011.

2008 **Invited lecture:** Knowledge-based clusters, regional innovations systems and new policy approaches. ESRI Research Seminar, Dublin, Ireland, June 13, 2008.

2007 **Invited key note:** How to stimulate innovation in non-innovative milieux? International Conference on New Concepts and approaches for Urban and Regional Policy and Planning? Leuven, Belgium, April 2-3, 2007.

2006 **Invited key note:** Innovative Clusters and Cluster Policies in Austria. International Food and Health Innovation Conference, Malmö, Sweden, October 25-27, 2006.

Invited guest lecture: Knowledge-based sectors in Austria: spatial structure and collective learning, Guest lecture presented at the IRS Leibniz-Institute for Regional Development and Structural Planning, Erkner/Berlin, Germany, August 23, 2006.

Invited lecture: Regions and the Knowledge Economy. CEEPUS scholarship – Teacher Mobility Programme (Karol Adamiecki University of Economics, Katowice, Poland, May 2006).

Presentation of Conference Papers

- 2016 Conference “Changing patterns of territorial policy: smart specialization & innovation in Europe, Seville, Spain (one paper).
11th Regional Innovation Policies Conference, Cardiff, UK (three papers)
56th ERSA Congress, Vienna, Austria (three papers)
EU-SPRI 2016 Annual Conference, Lund, Sweden (three papers)
Final Conference: Smart specialization and regional innovation: lessons for policy and practice, Brussels, Belgium (one paper)
- 2015 The 10th Regional Innovation Policies Conference, Karlsruhe, Germany (two papers)
- 2015 The 10th Regional Innovation Policies Conference, Karlsruhe, Germany (two papers)
4th Global Conference on Economic Geography, Oxford, UK (two papers)
RSA Annual Conference, Piacenza, Italy (one paper)
Conference on Smart Specialisation and Regional Innovation: Challenges and Opportunities Facing Less Developed Innovation Systems, Prague, Czech Republic (one paper)
- 2014 The 9th Regional Innovation Policies Conference, Stavanger, Norway (three papers)
The 54th European Congress of the Regional Science Association International, St. Petersburg, Russia (one paper)
Uddevalla Symposium 2014, Uddevalla, Sweden (two papers)
The 2nd Geography of Innovation International Conference, Utrecht, The Netherlands (one paper)
- 2013 The Regional Studies Association European Conference, Tampere, Finland (three papers)
- 2012 The 52nd European Congress of the Regional Science Association International, Bratislava, Slovakia (three papers)

- 2011 The 6th International Seminar on Regional Innovation Policies, Lund, Sweden (one paper)
The 58th Annual North American Meeting of the Regional Science Association International, Miami, USA (one paper)
The 51st European Congress of the Regional Science Association International, Barcelona, Spain (one paper)
- 2010 The 57th Annual North American Meeting of the Regional Science Association International, Denver, USA (one paper)
The 50th European Congress of the Regional Science Association International, Jönköping, Sweden (two papers)
The 8th European Urban & Regional Studies Conference, Vienna, Austria (one paper)
Regional Studies Association Annual International Conference, Pécs, Hungary (one paper)
Annual Meeting of the Association of American Geographers, Washington, USA (two papers)
- 2009 International Workshop on Continental Innovation Systems, Oxford, UK (one paper)
The 49th Congress of the European Regional Science Association International, Lodz, Poland (two papers)
Deutscher Geographentag (Annual Meeting of German Geographers), Vienna, Austria (one paper)
Regional Studies Association Annual International Conference, Leuven, Belgium (one paper)
North American Conference of the Regional Science Association International, San Francisco, USA (one paper)
- 2008 The 48th Congress of the European Regional Science Association, Liverpool, UK (two papers)
DIME Workshop on Evolutionary Economic Geography, Utrecht, Netherlands (one paper)
The 7th European Urban and Regional Studies Conference, Istanbul, Turkey (one paper)
The 25th DRUID Celebration Conference 2008 on Entrepreneurship and Innovation, Copenhagen, Denmark (two papers)
Regional Studies Association Annual International Conference, Prague, Czech Republic (one paper)
- 2007 The 47th Congress of the European Regional Science Association, Paris, France (one paper)
International Workshop on Regional technological and industrial trajectories - Theoretical background and empirical observations, Jena, Germany (one paper)
Winter seminar of the German speaking section of the Regional Science Association, Innsbruck, Austria (two papers)
- 2005 Fulbright Seminar, Vienna Austria (one paper)
DRUID Tenth Anniversary Summer Conference, Copenhagen, Denmark (one paper)
Winter seminar of the German speaking section of the Regional Science Association, Schladming, Austria (one paper)
- 2004 The 44th Congress of the European Regional Science Association, Porto, Portugal (one paper)
DIW (German Institute for Economic Research) Conference on Regionalization of Innovation Policy – Options and Experiences, Berlin, Germany (one paper)
- 2001 Workshop on Spatial and Social Dynamics of Project-Organisation, University of Bonn, Germany (one paper)

Research Projects

Title of the research project	Funded by	Grants (Euro)	Role
KNOWING – Collective Learning in Knowledge Economies (2002-2004) <i>Partner:</i> Collaboration with Phil Cooke, Cardiff University (UK)	Austrian Science Fund	84,000	Participating researcher

<p>DEMOLOGOS – Development Models and Logics of Socioeconomic Organisation in Space (2004-2007) <i>Partners:</i> University of Newcastle upon Tyne (UK), University of Oxford (UK), Mediterranean University of Reggio Calabria (Italy), Lancaster University (UK), University of Rome Three (Italy), University of Lille (France), University of Wisconsin-Madison (USA), Hong Kong University of Science and Technology (Hong Kong)</p>	European Commission's Framework Programme	83,900	Participating researcher
<p>Cluster development and policy in the Vienna biotechnology sector (2005-2006)</p>	Jubilee Fund of the City of Vienna for the Vienna University of Economics and Business	15,000	Co-project leader (jointly with F. Tödting) and researcher
<p>Innovation and Knowledge Links in the Vienna ICT cluster (2006-2007)</p>	Jubilee Fund of the City of Vienna for the Vienna University of Economics and Business	28,000	Co-project leader (jointly with F. Tödting) and researcher
<p>DYNREG – Dynamic Regions in a Knowledge-Driven Global Economy: Lessons and Policy Implications for the EU (2006-2008) <i>Partners:</i> Economic and Social Research Institute (Ireland), Free University Amsterdam (The Netherlands), London School of Economics (UK), University of Cambridge (UK), University of Bonn (Germany), University of Thessaly (Greece), University Luigi Bocconi Milan (Italy), Free University Brussels (Belgium), Institute for Economic Research (Slovenia)</p>	European Commission's Framework Programme	92,300	Co-leader of the Austrian team (jointly with G. Maier) and researcher
<p>Opportunities, perspectives and potentials for the Vienna economy in the Central Eastern Region Centrepe: A transdisciplinary approach to regional development in the knowledge economy (2006-2009) <i>Partner:</i> University of Applied Sciences BFI Vienna</p>	City of Vienna	34,870	Project leader at Vienna University of Economics and Business and researcher
<p>CURE – Corporate Culture and Regional Embeddedness (2007-2009) <i>Partners:</i> Institute for Work and Technology (Germany), University of Győr (Hungary), Cardiff University (UK), University Duisburg/Essen (Germany), Radboud University Nijmegen (The Netherlands), University of Applied Sciences Northwestern Switzerland (Switzerland)</p>	European Commission's Framework Programme	213,300	Co-leader of the Austrian team (jointly with F. Tödting) and researcher (2007–2008)
<p>The knowledge economy, economic transformations and ICT in the EU25+:</p>	Institute for Prospective	35,000	Co-leader of the Austrian team

<p>Regional dynamics in the deployment phase (2007-2009) <i>Partner:</i> Economic and Social Research Institute (Ireland)</p>	Technological Studies of the European Commission's Joint Research Centre		(jointly with G. Maier) and researcher
<p>Constructing Regional Advantage: Towards State-of-the-Art Regional Innovation System Policies in Europe? (2007-2010) <i>Partners:</i> Lund University (Sweden), Charles University Prague (Czech Republic), University of Tampere (Finland), University of Utrecht (The Netherlands), University of Adger (Norway), Dokuz Eylul University (Turkey)</p>	European Science Foundation	187,400	Co-leader of the Austrian team (jointly with F. Tödtling) and researcher (2007–2008)
<p>Innovation networks and technology transfer in the cross-border region of Centrope (2008-2009)</p>	Jubilee Fund of the City of Vienna for the Vienna University of Economics and Business	16,000	Project leader and principal researcher
<p>IAREG Intangible Assets and Regional Economic Growth (2008-2010) <i>Partners:</i> University of Barcelona (Spain), London School of Economics (UK), Leibniz University of Hannover (Germany), German Institute for Economic Research (Germany), Max Planck Institute of Economics, Entrepreneurship, Growth and Public Policy Group (Germany), University of Pecs (Hungary), University of Tartu (Estonia), Joint Institute of the Spanish Council for Scientific Research and the Polytechnic University of Valencia (Spain), University of Tampere (Finland), University of Saint-Etienne (France), University of Cagliari (Italy)</p>	European Commission's Framework Programme	81,800	Participating researcher
<p>Vienna and the Third Function of Higher Education Institutions (2011-2012) <i>Partner:</i> Institute for Higher Studies (Austria)</p>	City of Vienna	50,000	Project leader and principal researcher
<p>Cluster life cycles – the role of actors, networks and institutions in emerging, growing, declining and renewing clusters (2011-2014) <i>Partners:</i> Vienna University of Economics and Business (Austria), Charles University Prague (Czech Republic), Aalborg University (Denmark), University of Kiel (Germany), University of Hamburg (Germany), University of Bremen (Germany), University of Agder (Norway), University of Neuchâtel (Switzerland)</p>	European Science Foundation	490,000	Participating researcher; leader Swedish team
<p>Smart specialisation for regional innovation (2013-2016) <i>Partners:</i> University of Cardiff (UK), University of Newcastle Upon Tyne (UK), Utrecht University (The Netherlands), Rijksuniversiteit</p>	European Commission's Framework Programme	262,000	Leader WP5

Groningen (The Netherlands), University of Padova (Italy), Fundacion Deusto (Spain), Charles University Prague (Czech Republic), Claire Nauwelaers (Belgium)

<p>Path development in different regional settings: Regional policy approaches in the global economy (2014-2016) Partners: University of Agder (Norway), University of Stavanger (Norway), University of Bergen (Norway), Orkestra-Basque Institute of Competitiveness (Spain)</p>	<p>Norwegian Research Council</p>	<p>72,000</p>	<p>Participating researcher; leader Swedish team</p>
<p>Global innovation networks, regional variety and its impact on the innovativeness of firms and regions. The IT and new media industry in Sweden in a global comparative perspective (2014-2017) <i>Partners:</i> Norwegian Business School (Norway), International Institute of Information Technology Bangalore (India)</p>	<p>Marianne and Markus Wallenberg Foundation</p>	<p>1,088,000</p>	<p>Leader WP1; participating researcher</p>

Referee for International Journals

Economic Geography, Regional Studies, Research Policy, Papers in Regional Science, Environment and Planning A, Environment and Planning C: Government & Policy, Economic Development Quarterly, European Planning Studies, European Urban and Regional Studies, Geoforum, Science and Public Policy, Small Business Economics: An Entrepreneurial Journal, Industry and Innovation, Tijdschrift voor Economische en Sociale Geografie (Journal of Economic and Social Geography), Norsk Geografisk Tidsskrift (Norwegian Journal of Geography), International Journal of Service Technology Management, Letters in Spatial and Resource Sciences

Organizer Special Session

Organizer of special session on “Regional economic diversification and new path development”, 56th European Regional Science Association Congress, Vienna, Austria, August 23-26, 2016

Organizer of special session on “Path development and change in non-core regions”, 9th Regional Innovation Policy Conference”, Stavanger, Norway, October 16-17, 2014 (jointly with Arne Isaksen)

Organizer of special session on “Cluster evolution reconsidered”, 54th European Congress of the RSAI, St. Petersburg, Russia, August 26-19, 2014 (jointly with F. Tödting and P. Oinas)

Organizer of special session on “Reconsidering the role of universities in regional development”, 52nd European Congress of the RSAI, Bratislava, 21-25 August 2012 (jointly with H. Lawton Smith and T. Sinozic)

Member Local Organizing Committee and Member Scientific Committee

- Member of the local organizing committee: 2016 Eu-SPRI Conference: Exploring new avenues for innovation and research policies, June 7-10, Lund, Sweden
- Member of the scientific committee: 10th Regional Innovation Policy Conference, October 15-16, 2015, Karlsruhe, Germany
- Member of the scientific committee: 9th Regional Innovation Policy Conference, October 16-17, 2014, Stavanger, Norway
- Member of the scientific committee 49th European Congress of the Regional Science Association International, August 25-29, 2009, Lodz, Poland

Session Chair / Discussant

- 9th Regional Innovation Policy Conference, Stavanger, Norway (2014)
- 54th European Congress of the Regional Science Association International, St. Petersburg, Russia (2014)
- Regional Studies Association Annual International Conference, Tampere, Finland (2013)
- 52nd European Congress of the Regional Science Association International, Bratislava, Slovakia (2012)
- Regional Studies Association Annual International Conference, Pécs, Hungary (2010)
- 49th Congress of the European Regional Science Association International, Lodz, Poland (2009)
- 25th DRUID Celebration Conference 2008 on Entrepreneurship and Innovation, Copenhagen, Denmark (2008)
- Regional Studies Association Annual International Conference, Prague, Czech Republic (2008)

Supervision PhD candidates

- Alexandra Frangenheim (first supervisor)
- Jakob Eder (second supervisor)
- Johan Miörner (first supervisor)
- Sabrina Fredin (second supervisor)
- Hanna Westendorf Martin (second supervisor)

Examination PhD theses (member of examination committee)

- Roman Martin, CIRCLE, Lund University, October 2012
- Teis Hansen, University of Copenhagen, August 2012
- Mikaela Backman, Jönköping International Business School, March 2013
- Markus Steen, Norwegian University of Science and Technology, September 2016
- Rannveig Edda Hjaltadóttir, University of Southern Denmark, 2016

Teaching Experiences

1. University of Vienna: <https://ufind.univie.ac.at/de/search.html?filter=all&query=Trippel>

2. Lund University

Teaching (2012-2016)

Number of lectures and seminars (total):	26 lectures and 22 seminars
Teaching hours:	108
Total work load (clock hours):	432

(* includes: development of courses, teaching, administration, supervision of seminar papers, examinations, evaluation measures)

Undergraduate level:

- Samhällsgeografi: Urban och regional dynamik (summer term)
- Samhällsgeografi: Fortsättningskurs (summer term)
- Samhällsgeografi: Kandidatkurs (winter term)
- Samhällsgeografi: Fortsättningskurs (winter term)

Graduate level:

- Economic Growth over Time and Space (winter term)
- Economics of Innovation (winter term)
- Samhällsgeografi I: Sociala, ekonomiska och miljömässiga regionala utmaningar (winter term)

Supervision master theses

Philipp Fischer, Petar Georgiev, Johan Miörner, Anita Terzic, Valeria Markova, Baran Copuroglu, Michael Yang Yang, Anna Petruchenya, Irina Matcaboji, Aleksandra Cukovic, Merel van Egdorn

3. Vienna University of Economics and Business & University of Applied Sciences at BFI Vienna

Teaching (2004-2011):

Number of courses and seminars (total):	24
Teaching hours (equals Swedish lecture hours):	562
Total work load* (clock hours):	2300

(* includes: development of courses, teaching, administration, supervision of seminar papers, examinations, evaluation measures)

Undergraduate level (2005-2008):

- Five basic courses, 72.5 teaching hours (University of Vienna and University of Applied Sciences at BFI Vienna)

Graduate level (2004-2011):

- 19 seminars and courses, 489.5 teaching hours (Vienna University of Economics and Business and University of Applied Sciences at BFI Vienna)

Supervision and co-supervision of diploma theses: Nine diploma theses

4. International experience (teaching abroad and guest lectures)

- 2017 Lecture: New regional industrial path development in thick and thin regional innovation systems. NORSI course: Innovation systems and clusters, Stavanger, Norway, February 15, 2017.
- 2016 Lecture: Smart specialisation: conceptual foundations and policy practices in European regions. International PhD course in Economic Geography, Utrecht, The Netherlands, October 27, 2016.
- 2015 Lecture: New regional industrial path development in organisationally and institutionally thick and thin regional innovation systems. NORSI/PING course on "Innovation systems, clusters and innovation policy", Stavanger, Norway, September 22, 2015.
- 2013 Lecture: Innovation Systems, Knowledge Bases and Policy Implications. ERSA Summer School, Blekinge Institute of Technology, Karlskrona, Sweden, July 4, 2013.
- 2013 Lecture: Location and Mobility Patterns of Star Scientists and Knowledge Transfer at the Regional and Global Levels. Jena Graduate School, University of Jena, Germany, May 22, 2013.
- 2013 Lecture: Academic Mobility and the Geography of Knowledge Linkages. Graduate School of Finnish Geographers. University of Turku, Finland, May 16, 2013.
- 2011 Lecture: International Mobility of Star Scientists and Knowledge Transfer. University of London Birkbeck, London, United Kingdom, February 25, 2011 (invited lecture, departmental seminar).
- 2006 Lecture: Regions and the Knowledge Economy. CEEPUS scholarship – Teacher Mobility Programme (Karol Adamiecki University of Economics, Katowice, Poland, May 2006).

Other Activities

1. Research information

Reports (dissemination of research results - reports for non-academic readers and users):

- Lassnig, L., Tripl, M., Sinozic, T. and Auer, A. (2012) Wien und die "Third Mission" der Hochschulen (Vienna and the "Third Mission" of Higher Education Institutions), Institute for Advanced Studies, Vienna
- Tripl, M. (2010) Innovationsnetzwerke und Technologietransfer in der grenzüberschreitenden Wirtschaftsregion CENTROPE (Innovation networks and technology transfer in the cross-border region CENTROPE). Institute for Regional Development and Environment, Vienna University of Economics.
- Tripl, M., Lengauer, L. and Tödting, F. (2007) Innovation und Wissensnetze im Wiener Informations- und Kommunikationstechnologiecluster (innovation and knowledge links in the Viennese information and communication technology cluster). Vienna University of Economics and Business.

- Tödttling, F., Tripl, M. and von Gabain, J. (2006). Clusterentwicklung und -politik im Biotechnologiesektor Wien im Kontext internationaler Erfahrungen (cluster development and policy in the biotech sector Vienna the context of international experiences). Vienna University of Economics and Business.
- Tödttling, F., Tripl, M. and Folly, G. (2003) Evaluation des DMMA – DestinationsManagement Monitor Austria (Evaluation of the DMMA – DestinationsManagement Monitor Austria), Final Report, Vienna University of Economics and Business.
- Tödttling, F., Tripl, M. and Folly, G. (2003) Evaluierung der Clusterinitiative “Austria – Wellbeing Destination of Europe” (Evaluation of the cluster initiative Austria – Wellbeing Destination of Europe), Final Report, Vienna University of Economics and Business.

Lectures and Discussions:

- Lecture: Innovation, knowledge, new technologies and the learning region: (Workshop on regional economic policy under changed framework conditions, organized by the Green Party, June 2003).
- Lecture: Knowledge links and institutional networking in the Vienna biotechnology cluster (Policy workshop organized by the City of Vienna, May, 2006).
- Lecture: Innovation and knowledge linkages in the Vienna ICT cluster (Policy Workshop “IT-Standort Wien” (IT location Vienna), September 2008).
- Three Lectures: Workshop I, II and III: (2007-2009): Call 4: Opportunities, perspectives and potentials for the Vienna economy in the Central Eastern Region Centrepe: A transdisciplinary approach to regional development in the knowledge economy.
- Lecture: The challenge of recovering from and preventing economic crisis. CIRCLE 10th Anniversary Seminar: Innovation as a Solution to Societal Challenges (Lund, November 2014).
- Lecture: Experiences from 16 European regions working on smart specialization. CRU Seminar: Implementing Smart Specialisation, Aalborg, Denmark, September 2, 2015.
- Lecture: Smart specialization: overview of aggregated findings from 16 regions and lessons for Agder. Mobilitet og kompetanse – Et naeringsliv for fremtiden. Workshop om en kunnskapsbaserat tilnaerming til Smart Spesialisering I Agder, Grimstad, Norway, March 3, 2016.
- Invited Discussion: Zur Bedeutung von Wissen und Innovation für Wachstum und Beschäftigung. Wirtschaftswissenschaftliche Tagung der AK Wien, Vienna, Austria, March 9, 2016.
- Invited Discussion: The way forward, where to invade next? Conference: Innovation research in Norway – Recent findings and future perspectives. Norwegian Research Council, Oslo, Norway, March 3, 2017.

2. Published work of popular scholarship

- *Article:* Tripl, M. and Tödttling, F. (2006) Biotechparks – Cluster erfolgreich entwickeln (Biotech parks – Successful development of clusters). Transcript, Life Science Magazin, 12.07.
- *Article:* Bratl, H. and Tripl, M. (1999) Was hält Innovationssysteme innovativ? (How do innovation systems remain innovative?) Raum – Österreichische Zeitschrift für Raumplanung und Regionalentwicklung, 35, pp. 26-28.

3. Cooperation with business and society

Consultancy: Consultant for the OECD – OECD Reviews of Regional Innovation: Regions and innovation. Collaborating across borders (2013).

Reviewer: Swiss National Science Foundation (2013)

Research cooperation: Co-draft application and responsibility for the realization of several work packages of the project: “Opportunities, perspectives and potentials for the Vienna economy in the Central Eastern Region Centrepe: A transdisciplinary approach to regional development in the knowledge economy”. This project was designed to transcend the borders of the scientific community as it did not only involve researchers from various institutions but also companies, development agencies and the chamber of labor.

Reviewer and Member of Jury for the Policy Programme CIR-CE “Research Co-operation with Central European Countries” (Austrian Research Promotion Agency, 2007)

Interview: radio program “Diagonal” (Radio Österreich 1) on July 29, 2006: Vienna biotech cluster

Interview: Gesellschaftliche Verantwortung der Wissenschaften, Donau-Universität Krems, Magazin Upgrade
